Family education programs

- Family education programs are conducted for parents/carers and children to encourage open communication about personal safety and sexuality.
- As a parent/carer you are the foremost educator of your child.
- Build communication to last a lifetime with FPQ family education.

FPQ's family education program will assist you to:

- Develop healthy communication with your child
- Provide age-appropriate personal safety and sexuality education
- Build your child's self-esteem
- Answer questions with comfort
