

Communicating about sexuality with people with a disability

Family Planning Queensland (FPQ) presents a professional development opportunity for all service providers who support clients with a disability.

This interactive workshop will explore strategies and resources to assist workers to communicate positively with their clients about sexuality and relationships.

This course is suitable for:

- Disability support workers
- Supported accommodation workers
- Health professionals
- Tertiary students
- Other professionals working with people with disabilities

Topics covered will include:

- Developing a rationale for communicating about sexuality
- Creating a safe and positive environment
- Answering questions from clients about sexuality with confidence
- Planning and delivering sexuality information for people with disabilities

This course is being held in multiple locations.
