"Why should I Support Outreach Services (SOS)?"

- On 29 June 2012, Queensland Health notified FPQ that approximately $490,000 that had been promised would not be paid to FPQ to support our regional outreach and education services.
- At the same time, FPQ lost $260,000 in specific project funding for particularly vulnerable groups (which had also been promised to be paid in the 2012/2013 financial year).
- Despite tough economic times, FPQ is committed to ensuring our regional outreach services continue, but we can only achieve this with your help.
- Become a member.
- Add a donation on top of your membership fee (see reverse side for details).
- Or make a donation by cheque via post, by contacting us on 07 3250 0240 or online at www.givenow.com.au/familyplanningqueensland
